

**Andreas Godfrey** is Communication Officer. Andreas is working with the website in general, particularly the risk library, at The European Institute for Risk Management. His main responsibility is to make sure that the risk library is updated regularly. Andreas also works with administrating the educational programmes.

Andreas is currently also working on a research project at the Copenhagen Business School together with the Danish tax authorities. The project is concerned with developing new control methods based on trust. He has previously worked with newspaper layout, sales figures and invoicing at the English newspaper, The Copenhagen Post.

Andreas holds a Master's Degree in Political Communication and Management from the Copenhagen Business School.

You can contact Andreas at +45 8819 9115 or by email at [ango@eirm.com](mailto:ango@eirm.com).
